Narrowsburg, NY - The **Big Eddy Film Festival** has announced that EVA HESSE received the Audience Award at their 5<sup>th</sup> annual event. The Audience Award is determined by audience voting during the festival. This is the first year that Big Eddy gave this award.

Directed by Marcie Begleiter, the film focuses on the life and times of Eva Hesse, a ground breaking artist who was active in New York and Germany in the 1960's.

“We're thrilled to hear that the 'Big Eddy' audience responded so deeply to Eva Hesse's story and work,” said Begleiter. “To see the film having resonance with viewers outside as well as within the art world is such an important acknowledgment.”
